Stablehands 2% Prizemoney Scheme - Important Changes

- 1. General Industry Induction, and**
- 2. Certificate Training Qualifications**

Racing NSW has announced some important changes to the payment system for the allocation of 2% of prizemoney to Licensed Stablehands.

After further consultation with the NSW Trainers Association, new license applications will be linked to training outcomes designed to make the workplace safer and upskill the industry employees.

Induction

- All new licensees must successfully complete the Horse Safe Induction before they can commence work. Horsesafer is a short, on-line general induction program providing introduction to the industry and workplace.
